

CG-05G

Foundation Plate, Galvanized

USE: Adjustment counterplate for self-supporting carriages.
 FIXING: Place the counterplate between the concrete base and the carriage.
 RECYCLING: Disposal as ferrous material in accordance with the current laws in the country of installation.
 IMPORTANT: The manufacturer reserves the right to modify the characteristics of the product as required without notice. The manufacturer declines any liability for even partial modifications to the product, and the declared performance values are valid only if the installation procedures are carried out by qualified personnel.
 MAINTENANCE FREQUENCY: This article does not require any type of maintenance. Check its functionality and replace the product if necessary.
